**SAVE THE DATE: CCATO Annual Convention**

**Thursday, June 5, 2025 at the Clinton County Fairgrounds located at 98 Racetrack Road, Mill Hall, PA 17751  
from 9:00AM – 3:00PM.**

The Clinton County Association of Township Officials Executive Board would like to encourage you to be part of the annual county convention for the 21 townships in Clinton County. We offer you an opportunity to have your business recognized and advertised in the most positive way by giving a monetary contribution. You and your business would be advertised on our website [www.clintoncountytownships.com](http://www.clintoncountytownships.com) in our program book, and announced at the business meeting.

The association is a non-profit that hosts a local government day Trade Show inviting businesses to promote and showcase their service/products. The 20 townships are brought together to network with one another to discuss township matters and ways to improve their community. County associations hold annual conventions to meet and offer an opportunity to learn through training sessions and speakers discussing challenges and the best practices for township government.

The convention offers food and beverages throughout the day. A \$300 or more donation, will give you a complimentary vendor spot, as recognition of your donation and two free lunches on us. Thank you in advance for your consideration.
